We highly recommend our double rail clamp rings for larger wreaths, as two rails offer better support, and they're easier to make, for little additional cost.

Double Rail Clamp Rings

WDC6050	60" w/50 Clips	10

Rings with Less Clamps

A good way to cut costs, not quality.

Saves time and material! By cutting tips slightly longer, and fanning them out to fill the outer diameter of the wreath, you can make the same quality finished decoratives for considerably less cost. Sold in case quantities only. Call for quote on large quantities.

Item #	Size / Clips	# Per Case
