

Clamp Rings

Heaviest gauge wire and electronically-timed welds make the best wreath rings.

Be careful when choosing your ring supplier. We have seen everything from thinned down wire rings to rings with poor welds. We stand behind what we sell and promise good service to our customers!

(NOTE: There is a nominal charge for rings shipped in boxes.)

*OS = Oversize. Rings larger than 36", shipped, will need to be cut to ship UPS.

Due to the volatility of the steel market, prices may change during the 2009 Christmas Season.

Rings with Less Clips

A good way to cut costs, not quality.

Saves time and material! By cutting tips slightly longer, and fanning them out to fill the outer diameter of the wreath, you can make the same quality finished decoratives for considerably less cost. .
